

ORGANIC GARDEN PLOTS AVAILABLE

gpcg flyer 1/19/16

Grow vegetables with us at the GRANT PARK COMMUNITY GARDEN! We have several Household plots available. The Garden is located at the south end of Grant Street before the horse pastures. The plots are approximately 3' x10'.

Here are the requirements to join:

- \$50/year to pay for water & general upkeep

- Keep your Household plot weeded and maintained using organic methods

- Work a minimum of 3 hours/month to support the Community plots & general maintenance

- Sign an agreement and wavier

The GRANT PARK COMMUNITY GARDEN has 18 Household plots with gardeners of all skill levels. We share community & food at pot lucks, work days & meeting each other in the Garden. We maintain 15 Community/ Plant-A-Row plots where we grow vegetables and donate the food to groups that feed the hungry. We are also looking for Friends of the Garden to help with the Community plots.
