

Please Join
Georgia Department of Transportation
for construction updates on the
Ormewood Ave Project

Saturday, October 28, 2017
at 1:00pm at Vision Church

704 Ormewood Ave

The Ormewood Avenue Safe Routes to Schools Project is being lead by the Georgia Department of Transportation in parntership with the City of Atlanta. The project includes the installation of new biking and walking infrastructure that ensures neighborhood kids can safely walk or bike to local schools including the Atlanta Neighborhood Charter School and Parkside Elementary School. Councilmember Smith and City of Atlanta Department of Planning representatives will also be in attendance.
